

With spring well and truly underway - some may say earlier than usual - you have plenty of exciting things to look forward to over the next month with bank holidays, the clocks leaping forward and the promise of a rather lovely summer ahead! To finally release the grip of the winter, why not start planning your summer holidays now so that you have a blissful two weeks to look forward to in addition to the exciting things that you can get up to in the meantime!

Sport is well and truly a feature of the spring with the highs (Wales) and lows (England) of the RBS Six Nations and the thrilling triumphs of the giant killers in the FA Cup, as well as the success of the nation resting on 4 English teams who are through to the Champions League quarter finals. Don't forget that if you want to be there, just give us a call and we can ensure that you have a match experience to remember!

Club Concierge is proud to announce some new additions to our preferential supplier list and we hope that you enjoy what they have to offer. For more information on our suppliers or to discuss a service please give us a call and we will do our very best to help!
